CHRISTIAN EDUCATION

Kristi Stephenson

Welcome, New Members!

Shelby Schuller graduated from Georgia Tech in December, where she studied Applied Mathematics and Spanish. She plans to teach high school math and will be attending Piedmont College to receive her Masters of Arts in Teaching. Shelby teaches high school and middle school colorguard, and is also a current member of the Georgia Tech Chorale and OPC Choir."

Andrew Leonard is a recent Computer Science graduate with a penchant for music of all sorts. He works at Georgia Tech, and has been singing in the choir for more than 5 years.

Chris and Debbie O'Donnell were raised in Lowell, Massachusetts, and Princeton Junction, New Jersey, respectively and met in biology lab while at Emory. While Chris completed medical school and residency at Georgetown, Debbie received a Masters in Entomology at the University of Maryland and a PhD in biology at Georgetown. After a few years in North Carolina, they are thrilled be back in Atlanta where the people are friendly and their children Ryan (4) and Claire (almost 2) will never have to learn how to shovel snow.

We also welcome Edyie and Roberta DaVia!

MISSION

Emily Texter

OPC Mission Projects

Mission and outreach are central to our identity at Oglethorpe Presbyterian Church. Our mission programs are a way to serve those in need and also provide opportunities for us to share our time, talents, and resources. All are invited to the Mission Committee meetings on the second Tuesday of each month at 6pm in the library. For more information or to get involved, contact Emily Texter, the church office (404.233.5469, office@opcbrookhaven.org), or check the bulletin boards for announcements. We are always looking for more hearts and hands!

Our Next Bargain Shop Sale is April 30 through May 1 with proceeds going to support Oglethorpe Presbyterian mission projects. The Bargain Shop receives donations of pre-owned clothing and household items from the community and sells them to raise these funds. Over time, the Bargain Shop has become quite a tradition and gained a number of loyal customers who look forward to each sale. People are needed the week of the sale to donate, set up, and staff the sale. A new feature this sale will be outdoor rental space for individuals to sell their own household and craft items.

Food Pantry Ministry has provided Atlanta's needy families with food and staples since 1970. It is a collaborative effort of area churches and is housed at the Suthers Center in Chamblee. People are needed to pick up food, stock shelves, and distribute to families on Tuesday and Friday mornings.

Journey Men's Shelter asks supporters to register their Kroger shopping card with the Journey Men's Shelter (organization #17268) at www.kroger.com/communityrewards. It's an easy way to support this important mission. Helping Atlanta men move from homelessness to self-sufficiency, Journey's mission is to encourage and empower men toward self-reliance. For more information, visit www.journeyyyy.org. We cook and serve dinner on the 4th Saturday night of each month for 20-30 men at Druid Hills Presbyterian Church.

Habitat For Humanity has been an important mission of Oglethorpe Presbyterian Church for many years now, as we have contributed thousands of dollars and hours to provide housing for deserving families in need. Workers are needed on Saturdays during the months of May and June.

Mercy Community Church is a small, community church where people living on the margins are nurtured as God's children with special attention paid to emotional and spiritual needs. Co-Pastor Maggie Leonard spoke with the Mission Committee at our March meeting. We look forward to supporting this mission in the coming few months.

Easter Sunday Schedule, April 5

We are working so that our Easter Sunday is a glorious one that glorifies God!

- Our Brookhaven Community Sunrise Service begins at 7am in the Chapel. Pastor Marthame is the preacher this year.
- The Easter Egg Hunt begins Easter morning at 9:30am. Younger children will get a head-start before the older children join the crowd. Bring your own baskets.
- Photographer Jeff Frantal returns to take family photos. We will be in the Memorial Garden, weather permitting (if not, we will move inside). Photos begin at 9:30am and will be emailed out.
- Sunday School will be from 10-10:45am for interested adults and children. We will also provide the opportunity for visitors and families to hang out.
- Worship is at 11am and will feature communion and glorious, celebratory music!

Please note the following:

- We will use sticker name tags so visitors and members alike can greet one another by name.
- We still have plenty of empty plastic eggs to be filled. Take home a couple of bags full. Fill the eggs with small toys or candy and bring them back to the church by March 29.

Bach's St. John Passion

The Georgia Tech Chamber Choir will be performing J.S. Bach's St. John Passion at Druid Hills Presbyterian Church on Tuesday, March 31 at 7:30pm. They will be performing with the Baroque instrumental ensemble Harmonie Universelle as well as four professional soloists from around the country.

Easter Season Taizé Worship

On Tuesday, April 21st, at 7:00 p.m., Oglethorpe Presbyterian will hold a special Easter season Taizé worship service in the sanctuary. A Taizé worship service involves sung and chanted prayers, meditation, a period of silence, and liturgical readings. Please join us for this beautiful and peaceful service.

Taizé is a monastic community located in Taizé, France, founded in the 1940s by Roger Louis Schütz-Marsauche. The brothers of Taizé are committed to a lifetime of simplicity, service, and community.

Wall Hangings Task Force Report

If these walls could talk, what would they say? The truth is... these walls do talk, and they have the potential to speak volumes about our community here. So the question is, what are these walls saying to those who grace our space?

Through the work of our wall hangings committee, the session has developed a process for communicating a consistent, clear message to our members and visitors.

First, we have developed a “Theology of Space” so that each part of our building can focus on telling one part of our larger story. the story of our life here at Oglethorpe Presbyterian.

We will also begin narrowing down our wall hangings collection in the near future. Before we move forward, everyone will have a chance to go through the items

we do not plan to keep and take home the ones that might speak to you. We will announce more about this in the near future.

Session has designated the following high-traffic areas for the following purposes:

Lobby: Welcome & Upcoming Events

Stairwell to Narthex: Our Story and Mission

Narthex: Community & Welcome

Parlor: Formal & Inspirational

Gathering Room: Young Adult & Creative Space

Library: History.

This is an exciting time. We are digging deep in a number of ways to better align our church with our mission. May our walls speak invitingly and clearly about our wonderful community, and artfully express the many ways we work with and for our surrounding communities.

Beyond the Red Doors

Since 2006, Oglethorpe Presbyterian has been home to two congregations. Iglesia Cristiana de Restauración (ICR), who made their home in the chapel, has now relocated to a new building. We celebrate this step in their ministry, and are now faced with a huge opportunity. As the City of Brookhaven continues to grow and develop, we have effectively added square footage to our buildings. What do we do with it?

A team has been working on just that question, spending time on our purpose. In other words, before we move to the “what”, we first define the “why”:

Daring. Our approach to this space will be innovative so that we can expand the impact of ministry beyond the *status quo*. We do believe it is time for us to be open to the Holy Spirit and respond with boldness.

Incarnational. Just as Jesus was the embodiment of the divine in a particular place in time, we believe the Church is called in all times and places to the same purpose: to embody witness in and to our culture. The purpose of the space will be responsive to our neighbors while remaining faithful to Christ.

Evangelistic. The purpose of our space will be invitational so that we might encourage others in their relationship with Christ. Though primarily intended for those who are not yet here, our goal is for the space will be a meeting place where “us and them” is transformed into “we” through life-changing encounters with one another.

Bridging the spiritual and the civic. Our space will be utilized in ways that recognizes we are part of the larger community of our neighbors while enhancing our central purpose as the body of Christ.

Flexible. The space is intended for multiple purposes. In doing so, it will be designed optimally so that it can be used extremely well for a few distinct purposes.

Quality. The construction and aesthetics of the space will reflect our belief that beauty honors God.

Maximized. Recognizing that space is at a premium in our community, the space will be used as much as possible in ways that encourage ministry in Christ.

Budget Building. Our space will be designed with the goal of being self-sustaining (including the maintenance of the space) while also contributing to the financial support of the rest of our ministry, especially our mission and benevolence. Such cost and benefit will account for the potential need for additional staff. As we enter the “what” phase of our conversations, further conversation is needed about scale and scope.

These principles will guide us as we dream what God has in store. As we research , we will be looking to our whole community for imagination, so stay tuned!

Task Force Membership is Bill Cox, Cheryl Hartman, Tim Hsu, Amanda Marshall, Beverly Moon, Lauren Wright Pittman, Marthame Sanders, Emily Texter.
